Policy

The Sarawak Museum Journal is devoted to the advancement of knowledge in the natural and human sciences. It publishes articles pertaining to the Asian region in general, but particularly to Borneo and Sarawak. Generally, it will accept manuscripts from international scientists, but specifically it serves the need of local scientists especially those working with, and through the Sarawak Museum; to publish their research findings and to provide a forum for their scholastic discourse. As the Sarawak Museum Department is a Government Department in the State of Sarawak, it should be clearly understood that responsibility for facts and opinion rests exclusively with authors of the articles, and their writings do not necessarily reflect the views or policy of the Sarawak Museum Department, or that of the State Government of Sarawak.

Guidelines for Contributors

All manuscripts submitted for publication should be addressed to The Chief Editor, *The Sarawak Museum Journal*, Sarawak Museum Department Jalan Barrack, 93000 Kuching, Sarawak, Malaysia. They should be typed with double-line spacing throughout with liberal margins.

Footnotes should be assembled at the end of the text. References should be given with the authors' names and dates of publication in the text and works listed at the end of the paper in alphabetical order of authors' names. Contributors should ensure that any drawings submitted are bold enough to remain legible after the reduction which is nearly always necessary; this applies particularly to lettering on illustrations.

To expedite publication all contributors are strongly urged to submit their articles in both hard and soft copies.

Submitted article is considered a final and finished work of a contributor and therefore proofs will not be referred to him/her.

Subscription

The subscription price is RM40.00 per issue. Please contact us at the following address, for postage rates and any other information: The Director, Sarawak Museum Department, Jalan Barrack, 93000 Kuching, Sarawak, Malaysia. Email: webmaster@museum.sarawak.gov.my.

The Sarawak Museum Journal is also obtainable in exchange for journal of related fields written in English. *The Sarawak Museum Journal* is published annually by the Sarawak Museum Department.
